DOELGER ANNEXATION VIRTUALLY ASSURED — HEARING MONDAY NIGHT

Other Holdings May Be Taken Into Daly City Later

Annexation of the vast Doelger holdings west of Daly City's western boundary was theoretically accomplished Monday night when the city council set a time for public hearing on the matter.

The hearing was scheduled for July 6 in the council chambers at city hall, after which time the 432 acres of uninhabited land may be officially received into the corporate limits of Daly City. Barring unforseen opposition to the move, final annexation procedures are expected to be concluded immediately by the council.

According to Henry Doelger Builder, Inc., developers, construction of the 2,000-home subdivision will be started in July. Annexation of this territory will make Daly City the largest city in San Mateo County. The area in question runs parallel to Alemany boulevard between Junipero Serra and Skyline boulevard, taking in territory on both sides of Alemany.

Councilmen predicted this week that additional holdings of the Doelger Co. lying south of the proposed annexation area will eventually also be annexed to Daly City.

In other resolutions passed at the Monday night general session, the council endorsed an agreement for expenditure of 1-4 cent of gasoline tax funds, or $12,500, for improvements to state highways, and designated that stop-sign intersections should be instituted at Westlake and San Diego avenues and at Westlake avenue and Woodrow street.

A request by George Hopman for an additional six-months leave of absence from the police department to continue work as assistant building inspector was granted by the council, subject to confirmation by the civil service board of review.

The council, in other actions at its Monday night session,

Allocated to the local Girl Scout council a $22.50 donation for summer camp scholarship;

Referred to the fire committee a recommendation by the fire commissioners that firemen be hired at the hourly rate of $1.50 to burn weeds in vacant lots;

Was informed by A. Benedetti of a raise to $60 in the monthly rent of Firehouse No. 6, and

Reserved for budget study a request by the Daly Cty Band for new uniforms and other facilities.

Applications For Colma Police Chief Must Be In Tomorrow

The Colma City Council last week set Friday, June 18, as the deadline for returning applications for the job of Colma police chief.

John H. Price, councilman and chairman of the police commission, said the council desired early return of the applications so that they could be screened for an appointment in the immediate future.

Meanwhile, the council had named Joe Cavalli, an employe of Olivet Memorial Park, to the job of temporary police chief until a permanent appointment is made. Cavalli is not listed among the 15 applicants for the job.

Two Plead Guilty To Disturbing The Peace

Two San Francisco persons pleaded guilty to disturbing the peace charges before William J. Sweeney last Friday in municipal court.

Lillian Blair, arrested May 30 by Police Chief Wilbur Sunderland, was fined $25. Anthony J. Battaglia, charged by Sergeant Ricco Benedetti with drunkenness and disturbing the peace June 5, pleaded guilty and was fined $35.

City Is Checking Business Licenses

Preparing for a general revision of the City Ordinance affecting business licenses in Daly City, Councilman Paul Green, Chairman of the Council Finance Committee, announced this week that a preliminary survey indicates there are a number of people conducting business without having obtained licenses. Pointing out that failure to obtain a license carries a penalty up to three hundred dollars, Police Chief W. W. Sunderland has been directed to investigate the situation.

Local Ordinances require that anyone conducting a business within the City, as an agent or principal, whether from his home or an established place of business, must first obtain a business license from the Police Department.

El Carmelo Drum Corps Wins Again

First prize trophy for excellence was awarded to Daly City's El Carmelo Parlor of Native Daughters last Sunday when the local parlor's drum corps performed in the 49ers Fiesta parade at Larkspur.

The corps, preceded in the procession by Lorraine Remmer, Betty Duffy and Verna Moresco, majorettes, was composed of Kathleen Day, Shirley Remmer, Nadine McDonnell, Mary Thimis, Ellen Pieri, Barbara Ford, Doris Vernengo, Dorothy Linehan, Marie Gilbrech, Yvonne Hulme and Johanna Schwarz.

Rat Poison In Colma Area Kills Livestock, Pets

Quantities of poison spread for the purpose of rat control was blamed last week for the death of some 50 head of livestock in the Colma ranch area.

Joseph Swim, San Francisco toxicologist, last Friday said that poison used by a San Francisco rodent-control company in the area had been responsible for the death of cattle and a number of ranch dogs, cats and chickens in that vicinity.

Swim conducted the investigation at the request of Albert Casentini and Louis Donati, operators of a hog ranch. The poison, he said, is so deadly that a half-grain can kill a 250-pound hog.

GRADUATION EXERCISES FOR LOCAL SCHOOLS ARE HELD DURING WEEK

June graduates of Jefferson High School embarked on their first day of summer vacation today, after their commencement exercises and graduation parties last night.

Young members of this month's graduating class at Our Lady of Perpetual Help School were concluding their first energetic week of vacaton, while public elementary school graduates were looking forward to a brilliant commencement program tomorrow evening, Friday.

The week had been a lively one—the end of formal studies for some; the close of only one phase of school work for many more. But they all had one thing in common—a fond reluctance to leave their alma maters. It had been tough sledding for some; easier for others. Indeed, they had seldom realized the full extent of their affection for the old schools—until graduation.

Exercises in the Jeff auditorium saw something over 100 students bid farewell to their school; shake hands with Superintendent Stanford Hannah and receive their diplomas.

At Our Lady of Perpetual Help School last Friday, 44 eighth-graders took their places, one-by-one, to receive their diplomas from the hands of the Rev. James Bergin. A graduation breakfast had been served that morning, after mass, by the Mothers Club.

The combined schools of the Jefferson district will graduate 80 eighth graders. The number will include 43 from Crocker School; 21 from Woodrow Wilson, and 16 from Jefferson School.

Diplomas will be awarded by Superintendent R. L. Crane, after a program of music, recitations and dancing centered on the patriotic theme, "America Sings and Speaks."

A complete list of elementary school graduates will be published in next week's edition of the Record.

Crocker P.T.A. Ladies Enjoy Outing Last Week At. S. F. Beach

Eleven members of the Crocker Parent Teacher Association enjoyed an afternoon at the beach last week, lunching at the Cliff House and attending the concessions at Playland.

The ladies enjoying the outing were Mesdames Effie Jordan, Ellen Wallace, Eve Hobbs, Julia Jordan, Bertha D'Isep, Mary Wakefield, Betty Kohlbrenner, Emma D'Isep, Frances Haussler, Olga Bordsen, and G. A. Blackburn. Young Danny Carratti accompanied them.

Garden Village Man Injured In Highway Accident

Kai Blickfield, of 107 Garden Lane, Garden Village, was in Community Hospital this week, suffering injuries sustained in an accident last Friday night at the School street-Junipero Serra boulevard intersection.

Blickfield was assertedly struck by a car driven by James William Strickland, of San Jose, as he attempted to cross the intersection. Strickland was cited for failure to yield the right-of-way to a pedestrian in an intersection.

Taken to Junipero Serra Hospital for treatment of compound fractures of the left leg, and concussion, Blickfield was later transferred to Community Hospital.

Ocean View Church To Institute New Boy Scout Troop

The Rev. Joseph H. Bennett, pastor of the Ocean View Congregational Community Church, will speak at 11 a. m. services this Sunday on the topic, "A Father of Real Men." The church choir will sing.

A welcome has been extended to all liberal Christians of this and surrounding communities to attend worship services at the church. A nursery is provided for young children during the service.

The church is situated at 146 Broad street, three blocks from Sickles corner, off Plymouth avenue.

A new project of the church's program for children is being instituted currently with the organization of a new scout troop. Boys over 12 years of age and slightly under have been invited to meet at the church Monday, June 21, for the organization meeting.

Expert scouters will form the controlling committee — Colonel Dexter Griffith will assume the duties of scoutmaster, and Gene Schmale, assistant scoutmaster.

The church's plan is to begin with a small group of boys with the object of training them for leadership. More information on the troop may be obtained by telephoning JUniper 4-5867. Cub work will be started as soon as suitable leadership is established.

Volunteer leaders will be welcomed.

John Pitcher Co. Now Test Drilling For 2nd Bay Span

The John N. Pitcher Company, drilling contractors of 7108 Mission street, are currently engaged in operations preliminary to a mammoth development in the bay area.

With the Ben G. Gerwick Company, general contractors, the local establishment has contracted to test the San Francisco Bay for foundations of a long-awaited, much needed second bay bridge.

According to John Pitcher, president of the drilling company, the $112,000 job should take approximately two months in all, with operations continuing 24 hours a day.

Test drilling now is being carried on between Pier 22 and Yerba Buena Island. Both the parallel and southern crossings, which have been hotly disputed since the original proposal for a second bridge was submitted, will be tested.

Request Donations To Aid Red Cross In Northwest Disaster

William H. Taylor, chairman of the San Mateo County Chapter, American Red Cross, this week made public the following telegram received from Pacific Area headquarters on the Northwest flood disaster:

"On the basis of last and more complete reports we now know that disaster needs in the northwest floods are much greater than first anticipated and will represent a much larger amount of money than was expected. Our operations, fully staffed by experienced disaster personnel, are doing an outstanding job with thousands of volunteers working untiringly during this emergency period toward rehabilitaton of thousands of families affected by the disaster."

The local Red Cross chapter is making it possible for persons to contribute for the relief of flood victims. No door-to-door solicitation will be carried on by Red Cross, but those wishing to help have been asked to send their donations to local banks or to Chapter headquarters, 260 Primrose Road, Burlingame.

Two S.F. Men Face Gambling Charges

Date for a hearing on gambling charges against Sam Omar, 38, and Herman Rosenbaum, 45, both of San Francisco, was to be set today by Justice of the Peace William Finger, of the fifth township.

The two men are free on $1,000 bail each, on two counts of gambling. They were picked up June 6 in a raid on Dick's Tower, in Brisbane, when a seven-man raiding party from the sheriff's office broke into the back room with a sledge hammer and an axe.

Both Omar and Rosenbaum, at the time of their arrest, were out on bail on a previous charge of violating the state gambling laws.

The men were arraigned last Thursday before Justice of the Peace John J. Fahey; pleaded not guilty and waived jury trial. Fahey, disqualifying himself, set time for scheduling the hearing at June 17.

SUMMER RECREATION PROGRAM IS ANNOUNCED BY RECREATION DEPT

Eagles Auxiliary To Send Clothing To Flood Victims

Clothing supplies for victims of the Oregon flood are being collected this week by members of the Ladies Auxiliary of Eagles.

The women made plans for the relief project at their meeting last week in the Eagles Hall. The occasion was Fathers Night, honoring members' husbands and fathers. Entertainment was provided by the Eagles' Haywire Band.

A buffet supper was served by Mrs. Agatha Hayden, assisted by Mesdames Charlotte Ward, Lillian Miller, Anita Lopez, Louise Reardon, Cecelia Hanel, Amelia Garcia, Margaret Florence, Dolores Warren, Mary Wheeler, and Lucile Holman.

Plans Are Made For 7th Annual O. L. P. H. Carnival

Preparing detailed plans to make the annual Carnival at Our Lady of Perpetual Help Church a bigger success in 1948 than it has ever been before, Parish officials and citizens groups have decided on a brand new De Soto sedan as the big attraction at the Carnival which will be held on the Church grounds October 1, 2 and 3. The 1948 model De Soto was secured through the courtesy of the James E. Donahue agency at 6232 Mission street.

The October Carnival will be the seventh annual event held at Our Lady of Perpetual Help, and the occasion has been a mounting success each year since its inception in 1941. The theme for the 1948 affair is expected to tie in with the gigantic Portola Festival to be celebrated in the San Francisco area during October.

Many Activities Planned For Youth During Vacation

With theclosing of elementary and high school classes for another summer's vacation, the Daly City Recreation Department is embarking next week on a repeat of its 1946 and 1947 summer programs.

Several added activities will serve to enlarge this year's program of events, according to Elman Rose, the city's recreation director, insuring adequate accomodations for a larger-than-ever crowd. Director Rose hesitated to predict the number of children expected to participate in the various activities.

"Any number may turn out," Rose said. "The 28,000 total attendance in the 1946 program grew to 56,000 last summer. We are expecting a record attendance this year."

Among the varied activities which will be made available this summer through the department's extensive program are ball games of all types, swimming, boxnig, tennis and other sports; dancing, choral singing, dramatics and art crafts. The program will include events for all age groups — with special sports attractions in the evening for adults.

Organization of the different program divisions will come about next week and the week after, with groups meeting in the auditorium of Jefferson High School.

Schedule of Organization Meetings

Monday, June 22 — 10:30 a. m., feature movie.

Tuesday, June 22 — 10:30 a. m., arts crafts; Florence Stefanelli, instructor, assisted by Beth Kabeary; 11:15 a. m., folk dancing, chorus, dramatics; Kathleen Schreiber, instructor, assisted by Mary Falbo.

Wednesday, June 23 — 10 a. m., boys' sports, athletics; Bob Seiler, instructor, assisted by Glen Smith; 1:30 p. m., girls' sports, athletics; Mary Falbo, instructor, assisted by Beverly Clement.

Thursday, June 24 — 1:30 p. m., art crafts; 3 p. m., folk dancing, chorus, dramatics.

Friday, June 25 — 10 a. m., girls' sports, athletics.

Tuesday, June 29 — 10 a. m., boys' sports, athletics.

Throughout the summer months the recreation department will offer daily activities appealing to all children, and weekly outings to nearby places of interest. The directors will be available for any further information on activities planned, while copies of a schedule of events will be available in the municipal water works office and the recreation office at the city hall, and in the public library. The schedule will be reprinted in full in the July 1 edition of the Record.

BOYS CLUB ASSURED PLENTY OF EQUIPMENT FOR SUMMER SPORTS

The beginning of summer and vacation school brought with it good news this week for the Daly City Boys Club.

Sports equipment of all kinds—for baseball, basketball, softball, volley ball and football, including rule books and score cards—has been donated to the club by two new benefactors, Frank Lombardi and Peter Cava.

The contributions were made last week after the 54 young club members had made known their lack of facilities. Enough equipment now has been secured, thanks to Lombardi, for sports activities of all types. And the youngsters already have put it to good use.

A "B" class baseball team was organized for 10-12 year old members and older beginners. Carl Gruenwald volunteered as captain.

The junior team, if at all similar to its senior nine, will be pretty hard to beat. Last Saturday, George McLeod's "A" team won its second game in as many starts against other independent teams.

And next week McLeod and his two assistants, Paul Hopkins and Curly Stone, expect the team will better its already excellent possibilities. Some 25 baseball enthusiasts of the club have enrolled in the Seals Baseball School for teenagers, to glean some pointers from Seals professionals. On Saturday, June 26, at the close of the week-long school, the boys will be guests of Mr. and Mrs. Charley Graham at the Seals-Oakland game.

Transportation to and from San Mateo for daily instruction will be provided by R. L. Stevens, with Joe Lewkowitz furnishing the gasoline.

This week, the Daly City Boys Club is on its way. The only large obstacle remaining in its path is lack of a suitable meeting place—a clubhouse where the youngsters may assemble for gab fests and indoor activities. This week has been a fortunate time for the club—and fortunate for the town. Nothing, it seems, can stimulate the interest of a city and draw its cooperation like the needs of its children. This week, Daly City rallied to their call.

Michael Callan Appointed Member Elem. School Board

Michael Carter Callan, Colma real estate and insurance broker yesterday assumed the duties of third member on the Jefferson Elementary School District board of trustees.

Appointment of Callan to the seat left vacant by Mrs. Nell Dorrances's resignation in April was announced yesterday morning by Miss Patsy Jewett Abbott, county superintendent of schools. The superintendent's "surprise" action climaxed a three-month period during which the school board was peopled by only two members — Fred Bertetta and Andrew Van Der Werff.

Callan, whose appointment became effective immediately, yesterday told the Record he had learned of his candidacy only the day before.

A graduate of Jefferson Elementary and High Schools, Callan is an alumnus of St. Mary's College. He is the son of Thomas J. Callan sr., newly elected member of the high school board.

Yesterday's action came as a surprise to many local people, as Callan's name was not among those known to have bid for the post.

The elementary school board will meet next on July 22, unless a special meeting is called by the chairman, Van Der Werff, to introduce the new trustee. Board meetings, heretofore held twice monthly, will convene hereafter on the fourth Thursday of each month.

Livestock Invades Cemeteries After Auto Accident

Highway commuters to and from the peninsula got an eyeful of cowboy life last Thursday as they passed the Old Mission Road turnoff on 101.

Countless sheep and several head of cattle—all ready for market—were being herded along the highway by a couple of flustered truck drivers, trying to induce them into the vehicle which would lead them to death in the slaughterhouse.

All the confusion, assording to the highway patrol, was the result of a truck-auto accident at the intersection. A shining new Buick had foolishly rammed broadside into a livestock-loaded farm truck, causing all goshen to break loose on the heavily-traveled highway. The truck, driven by John Wiedemeyer of Petaluma, had started to turn down the Mission Road on its way to the slaughterhouse. And the Buick, propelled by Alvin Sievert of Belmont, plowed into the truck, knocking it over and scattering fat sheep and cattle over the area.

The mishap occurred at approximately 8:51 a. m. Stray livestock were finally rounded up from the nearby cemeteries and thereabouts by 10.

Daly City - Colma Students Graduate From S. M. Jaysee

As San Mateo Junior College graduates a record class of 400 students this Friday morning in the Woodland open air theatre in Hillsborough, office lists indicate that a number of students from Daly City and one from Colma are candidates for diplomas.

Candidates from Daly City are Vernon Back, Ruth Basso, Tom Brandt, Ernest Day jr., Alice D'Isep, Robert Evans, Glen Godde, Hazel Hendrickson, Philip Morales, Stedman Prescott, and Dean Schreiber, with Thomas Callan from Colma. Brisbane is represented by Virginia Bhend and John Marin.

This year, now that the war is well over, the graduating class is representative of the whole county.

Starting with a class breakfast, the graduates continue on to the Commencement exercises at which Dr. Basil H. Peterson, president of the Orange Coast Junior College, is the speaker. President Charles S. Morris is to present the class; awards and scholarships will be given out, and Col. Charles N. Kirkbride, president of the college board, will hand out diplomas.

Saturday evening the graduates and friends will hold the Soph Formal in the Colonial Room of the Hotel St. Francis, with Jack Fisher and his orchestra playing—and the Spring term will be closed for the summer vacation.

THE FIRE ENGINE

We all like to watch the fire engine go by.

Its an exciting sight, with the siren screaming and the firemen hanging on for dear life and the dogs and the children tearing down the street after it.

But the sight at the end of its run may not be so stimulating.

It may be a grass fire, easily put out with extinguishers. It may be some deserted shack which should have been torn down long ago. It may be minor damage to a building.

But, on the other hand, it may be a fire that puts the biggest employing concern in town out of business for months — or a fire that destroys a house that represents the savings and labor of years — or a fire that burns somebody to death.

Whatever kind of fire it is, great or small, costly or unimportant, it makes its contribution to our disgraceful record of fire waste. Maybe the damage to a building only runs into a few hundred dollars — a sum so small as to be hardly worth talking about. That was the little fire you saw. But, day after day, month after month, year after year, thousands of such fires occur. And that — when we add in the occasional conflagration that does damage running past the million mark — is why American carelessness with fire costs us well over half a billion a year.

COMPETING FOR YOUR FAVOR

There are many strong arguments against compulsory tax supported government health plans. One which isn't used as much as it deserves is that it would eventually establish a government monopoly in the field, put the private concerns now providing a prepaid hospital and medical service out of business, and enable the politicians to give us any kind of health service they choose. After all, if we didn't like it, we could lump it. The law would make us pay the tax anyhow.

A short time ago a subscriber to one of the voluntary plans spent a short period in a hospital. The bill, which the plan paid, totaled much more than his dues for a year. After he got out he received a courteously phrased card, telling him that the plan had met his bill of some $70, offering the hope that the service was entirely catisfactory, and asking that he tell his friends about it. In the same mail there was an advertisement from a competing plan of a similar nature, describing the service and the benefits it offered.

This is a typical demonstration of the free competitive system. If a man doesn't like one prepaid medical plan, he can subscribe to another or to none at all — just as if he doesn't like one brand of goods he can buy a competitive brand or skip the purchase entirely. The service has to please the customers or the concern doesn't last.

Anyone who has had much experience with government bureaus — all of which are unregulated monopolies, and many of which are run under the spoils system — knows what kind of treatment he can expect. And it wouldn't be any different with a government medical monopoly. Another group of politicians would have the helpless taxpayers and patients just where they want them, under their thumbs.

UNEMPLOYMENT INSURANCE ABUSES

Is state unemployment insurance becoming something of a racket in many instances? The official figures lead one to that unsavory conclusion.

In 1946, a year of full employment, the ratio of benefits paid to contributions collected for the country as a whole was 120.1 per cent. Eighteen states paid out more in benefits than they received in unemployment levies, and three paid out more than twice as much.

The experience in 1947 was a little better. But the ration of benefits paid to contributions collected was over 70 per cent, and several states paid out more than they took in.

It must be kept in mind that this happened during years when the national income, employment and production in general were at an all-time peak. In another depression with its consequent mass unemployment, it is almost impossible to visualize what would happen to the funds. Obviously, their receipt would be only a drop in the bucket compared to outgo, and a stupendous burden would be placed on the taxpayers.

Those who have studied the matter are convinced that many men are using the unemployment funds as a means of obtaining free vacations when they don't feel like working—and that laxity either in the law or in the administration of the law is making this possible. That is an inexcusable abuse of a system which was set up to help those who were out of work through no fault of their own and couldn't find a job after a period of honest, aggressive searching. It must be stopped, and it can only be stopped by action within the states.

OFF THE BLOTTER - - -

Four persons were injured in home and motor accidents during the past week in and around Daly City.

A 22-month-old youngster was taken to Junipero Serra Hospital last Thursday when she fell out of a shopping carriage in a local grocery store, striking her head on the cement floor.

Joseph Anguello, of Peter street, Colma, was treated at Junipero Serra Hospital for road burns suffered when the motorcycle he was riding skidded off the road at Mission street near San Pedro road, throwing him to the ground.

Carolan Gotelli, four-year-old Colma girl, was treated at the hospital Tuesday for scalp lacerations and eye bruises sustained in an accident at San Jose avenue nd Bepler street. The child fell from an automobile driven by her mother, when the rear door of the car flew open.

A six-year-old Daly City girl was taken to Junipero Serra Hospital Sunday for hand injuries after a playmate accidently dropped a rock on her fingers.

Theft of a pair of trousers and a wallet from a parked car was reported to Daly City police last Friday by John Wall, of San Francisco. Wall said he had parked his car at Thornton Beach at 2 p. m. Friday, and returned at 4 p. m. to find the left ventilating window broken, and the articles missing from his car.

Daly City police joined in a county-wide road block last Friday to apprehend two armed holdup men in a stolen car. The bandits, who had robbed the Bank of America at 20th street and Taraval of $1,500, had kidnaped a driver and his car, leaving him stranded in Colma. The car later was recovered at San Pedro road and Skyline boulevard.

Property damage to one or both cars involved resulted from these accidents during the past week:

A collision last Thursday on San Jose avenue between cars driven by Gerard E. McLaughlin and Ralph M. Proctor, both of San Francisco;

A mishap at the Mission street-San Pedro road intersection between cars driven by Joseph DeLucci of Clara street, Colma, and Albert Perrotti of San Carlos.

An accident Monday in the 200 block of Los Banos avenue, involving cars driven by Chester Watts, 182 Los Banos, and Bernard Carr of San Francisco.

George E. Dawson, of the New San Francisco Auto Court, agreed to repair damages resulting from an accident Saturday on Werner street. The front steps at 16 and 34 Werner street were damaged when Dawson's car, which had been parked near School street, evidently slipped its brakes and ran down Werner.

'Lady Windermere's Fan' Now Playing At Geary Theatre

"Lady Windermere's Fan" starring Cornelia Otis Skinner which opened its fabulously successful career in San Francisco two years ago returned to the Geary Theatre on Monday night, June 14, for a two weeks' engagement. Matinee Wednesdays and Saturdays and no Sunday performances.

This magnificent production of the Oscar Wilde play was produced by Homer Curran in association with Russell Lewis and Howard Young. Its American premiere, after an interlude of 32 years, was at the Lobero Theatre, Santa Barbara on Friday night, August 23, 1946. Following sell-out engagements in San Francisco and Los Angeles, "Lady Windermere's Fan" opened at the Cort Theatre in New York where it played for 229 performances, establishing a new record for a revival in New York.

This season "Lady Windermere's Fan" will have toured for 39 successful weeks prior to the Geary opening on June 14. Acclaimed as "The most beautiful show of the season" everywhere it has been seen, the Cecil Beaton Costumes and scenery are as fabulously beautiful today as they were at the first performance.

The featured players include David Manners, Bramwell Fletcher, Judith Fellows, Rex Evans, Evan Thomas, George Thirlwell and Estelle Winwood.

"Lady Windermere's Fan" is a play to see and treasure in memory, and San Francisco theatregoers, who missed the Oscar Wilde play on its initial engagement here two years ago will now have an opportunity to see it. The last performance at the Geary Theatre will be on Saturday night, June 26.

Letta R. Perry To Wed New York Man This Month

Off on a wedding trip this month will go Mrs. Letta R. Perry, of 71 Hillcrest Drive, Daly City.

Mrs. Perry will be leaving the end of June for Boston, New York, to wed Harry Wilson, an engineer for the Santa Fe Railroads. Their marriage will culminate a three-year engagement.

The Daly City woman plans to make her home in the east, thereafter.

O. L. P. H. Mothers Club Closes Year With Installation

Board of Directors: Mrs. Mildred Sims, Mrs. Emilie Garcia, Mrs. Catherine Bradley, Mrs. Lee Miller and Mrs. Dorothy McInerney.

Mrs. Margaret Schreiber was the installing officer.

The newly installed president appointed these chairmen for the year: Mrs. Esther Nolan, hospitality; Mrs. Beth Powers, membership; Mrs. Isabella Liberti, publicity; Mrs. Josephine Lamendola, parish whists; Mrs. Jeanette Gray, school health program; Mrs. Margaret Schreiber, historian, and Mrs. Dorothy Brush, parliamentarian.

Brief talks were given by Father McKenna, chaplain for the Mothers' Club; Father W. Stewart, Sister M. Clarice and the new president and officers.

Mrs. Isabelle Liberti, out-going president, gave the yearly report and expressed her appreciation of the club's loyal support

Mrs. Beth Powers, chairman for the evening, presented Mrs. Liberti with a lace tablecloth from the Mothers' Club in appreciation of her services in the past year. Mrs. Powers, assisted by a committee of kindergarten mothers, served refreshments in the school auditorium. The tables were tastefully decorated with spring flowers.

Mrs. Jerry Allen Vice-President Of Royal Neighbors

Mrs. Jerry Allen was elected to the vice-presidency of the Royal Neighbors of America sewing club last Thursday when the group met at Mrs. Laurette Bertelli's home for luncheon. Mrs. Merle Taylor was co-hostess.

Mrs. Allen will fill the vacancy created by the resignation of Mrs. Marie Curry. Dutch Whist was played after lunch.

Members present were Mesdames Nellie Allen Jerry Allen, Lillian Thomey, Anna Romer, Rhoda Rachor, Marie Thompson, Marie Ruecker, Agnes Wood, Elizabeth Sorensen, Annie Smith, Mal Miller, Johanna Hedvall, Lois Storm, Marie Curry and Laura McKenzie.

Mrs. Nellie Allen and Mrs. Jerry Allen will be hostesses at the club's next meeting, tomorrow in Little Italy Hall.

S.M.J.C. Patrons Have Installation

Mrs. Charles E. Hoffman became president of the San Mateo Junior College Patrons Association last Thursday at a luncheon installation ceremony at the commander's home on the Coyote Point campus.

The retiring president, Mrs. George Bruns, was presented with a bouquet of roses by her successor. New vice-president is Mrs. G. E. Doty. Mrs. M. G. Strohmeier, junior past president of the 17th District, California Congress of Parents and Teachers, conducted the installation rites.

Highlight of the luncheon was the presentation of a new flag and standard to the school. Mrs. H. M. Dye, patriotic instructor of Women's Relief Corps No. 36, G.A.R., presented the flag to Charles S. Morris, college president.

Jeanette MacDonald and singing starlet Jane Powell as mother and daughter in M-G-M's attractive new Technicolor musical-romance, "Three Daring Daughters," at the Crest Theatre this Friday. Jose Iturbi also stars in this merry mixup of mirth, music and matrimony, which brings Miss MacDonald back to the screen after her five years on concert tours.

Airborne, Cavalry Recruiters To Be Stationed Here

A special five-man recruiting team composed of representatives of the 11th Airborne and 1st Cavalry divisions will arrive in San Francisco on June 28 for a five-day visit, Major Frank J. West, Commander of the local U.S. Army and U.S. Air Force recruiting station announced today.

The team will stop in San Francisco as part of a 120-day tour of the Western United States, during which its members are describing life in their divisions to qualified young men interested in filling vacancies presently open in the two famous outfits.

Heading the group is First Lieutenant Francis L. Wycoff of Eugene, Oregon, and traveling with him are Sgt. Ben O. Haygood of Miami, Fla., First Sgt. Lyle H. Engelstad of Warren, Minn., First Sgt. Fred G. Morrison of Weiser, Idaho, and S/Sgt. Henry G. Harper of San Diego, Calif.

Their headquarters during their San Francisco visit will be at the local recruiting station, located at 428 Market Street and 20th and Mission Street.

O'Neall & his wife Helen O'Neall, Defendants, for One hundred thirty five and 06/100 (135.-06) Dollars, legal money of the United States of America, and costs of suit.

I have levied upon property described as follows, to-wit:

All of lot No. 21, and a portion of lots 22, 23, 24 & 25, in Block 11 as shown on map entitled "Revised Map of Salada Beach, San Mateo County, California," filed in the office of the county recorder of San Mateo County August 5, 1907 in Book 5, page 20, said portion being bounded and further described as follows: Commencing at a point in the northerly line of Salada Ave., where same is intersected by the westerly line of said lot 22, and running thence easterly and along said line of Salada Avenue 19 ft.; thence northerly and parallel with the westerly lines of said lots 22, 23, 24, & 25 to a point in said lot 25 distant on said parallel line, 25 ft. northerly from the southerly line, of said lot 25 and being in the northerly line of lands of said Victor Roggenbusch and Matilda Roggenbusch, his wife; thence westerly and parallel with said southerly line of lot 25 to the westerly line of said lot and thence southerly and along the westerly line of said lots 25, 24, 23 & 22 to the point of beginning.

Notice is hereby given, that on Monday, the 12th day of July A. D. 1948, at 11 o'clock A. M., at the main entrance of the County Court House, City of Redwood City, in the County of San Mateo, State of California, I will sell all the right, title and interest of said John W. O'Neall & his wife Helen O'Neall in and to the above described property at PUBLIC AUCTION, for cash in legal money of the United States, to the highest and best bidder, to satisfy said Execution and all costs.

Dated at Redwood City, this 14th day of June, A. D. 1948.

Wealthy SM County Ineligible For Federal, State Aid

San Mateo County's wealth is a prohibitive factor in the possible acquisition of state or federal funds for its new tuberculosis hospital.

That was the announcement made this week by the board of supervisors, after sounding out federal authorities in San Francisco and state officials in Sacramento. "The county is too rich," government spokesmen opined. "San Mateo County doesn't stand a chance of getting state or federal aid for the project."

The county will nevertheless be able to pay for consstruction of the new hospital, the board pointed out, with the $1,500,000 allocation granted in last week's election. At the same time, however, some amount of outside aid in supplying matching funds for the building, to lighten the taxpayers' burden, would be desireable.

According to Supervisor Henry Edmonds, a long-range posibility of state aid still exists. Two years ago, Edmonds said, the state earmarked 90 million dollars as matching money for just such construction projects. And while San Mateo County's share of the fund already has been allocated, there still exists the possibility that other counties may fail to apply for their full portions. In that case, the supervisor, explained, San Mateo County may apply for a part of the remainder for further subsidy of construction.

The big hitch, however, is that deadline for counties' receipt of their allocations is not until 1950 —and San Mateo County would have to wait until then to file for further relief.

Meanwhile, the supervisors indicated they would go ahead with construction of a hospital at the Canyon site as planned.

Elisa Paradiso Tells Betrothal To Bob Rode

More romantic news was heard in Daly City this week as Elisa Paradiso, daughter of Mrs. Lorenzo Paradiso and the late Mr. Paradiso, announced her betrothal to Bob Rode.

The bride-elect, who lives at 439 Templeton avenue, said she and Bob plan to be married in two years — when he is graduated from the University of San Francisco. But their friends wager it will be sooner.

Bob, a graduate of St. Peter's High School in San Francisco, is an army veteran who served in Germany. His fiance, a popular young pianist at Jefferson High School before her graduation last February, is planning to enter the Arillaga College of Music next semester. Elisa gave her first formal recital in March.

Bob's parents are Mr. and Mrs. George Rode, of 1066 Hanover street.

Service In Wash. Is Available To Army Enlistees

As the second largest military post in the United States, Fort Lewis, located near Tacoma, Washington, covers some 95,000 acres of sprawing northwest territory. The U.S. Army's 2nd Infantry Division, which makes its headquarters there, is presently conducting an all-out recruiting drive to swell its ranks to the full authorized complement.

Veterans of any of the armed forces who have served overseas since September 2, 1945 are now permitted to enlist directly for three years service with this famous fighting division by indicating their preference when they sign up. The 2nd distinguished itself in World War II by sweeping enemy forces from France in the Normandy landings and later in the battles of St. Lo, Brest and across into Germany and Bohemia.

A special recruiting representative is now visiting U.S. Army and U.S. Air Force recruiting stations in the San Francisco - Oakland area to interview eligible veterans interested in enlisting for the 2nd Division. Recruiting office locations in San Francisco are at 428 Market Street and 2399 Mission Street, and in Oakland at 200 13th Street.

Palm leaves and pieces of silk were once used as writing materials.

NEWS FROM THE SCHOOLS

CROCKER

Crocker Student Body is proud to report through its able coach, Bob Seiler, that both boys and girls won the swimming meet at the high school. A score of 129 points topped the Crocker record. The next highest was 48 points by Perpetual Help, and Jefferson and Woodrow followed in third and fourth place respectively. The girls' swimming team scored 46 points, and the boys' team scored 83 points.

Since February, Crocker has won many honors, both athletically and scholastically. Athletically the Crocker student body won the basketball championship of the Jefferson Elementary School District; they won second place in the baseball tournament; first place was won in the track meet, and now they are winners in the swimming meet. Scholastically they are the recipients of the Lincoln Plaque for the best essay in the district; they won four prizes and four honorable mentions in the American Essay contest, and won two prizes in the Poppy Poster Contest. Congratulations, Crocker students. You may be small in number, but you are very powerful in always being at the top.

There is a very fine esprit de corps in the Crocker Building between the feeling of responsibility taken by the students, and their reaction to teacher guidance. It isthis social factor which has encouraged the students to participate in events, and take pride in having Crocker stand for its block "C"—Cooperation!

JEFFERSON

Springtime has blossomed in the Kindergarten. The children like to tell of their gardens and many beautiful flowers are brought in daily. They like to arrange these in small flower containers to decorate their tables. By bringing these bits of beauty into the room they are learning to share their pleasure with others.

The first grade is enthusiastically working on a vacation mural during their art period. Dolores Del Campo Arlene Sutter and Earl Larkins have completed attractive sail boats for the mural. Other pupils will contribute later.

The children in the high first and low second dramatized the story about Little Bear. They made masks to represent the different animals. Edmond Cyr was little bear, Carolyn Dennis, his mother; David Chisholm, Billy Coon; Gary Cowden, Bushy Tail, and Catherine Moresco, Carol Ann Stanghellini, John Skoverski, and Michael Deal were bees. The class enjoyed the impersonations of the animals and hope they can do this agani.

The boys and girls of Room 6 have been very enthusiastic about their science lessons. Victor Muzzetti brought two frogs, and Sylvia Bianchini brought an earthworm for the class to observe and study. The students have enjoyed taking care of these creatures of nature.

Cadas, Churches Have Double Anniversary Celebration Sunday

A double anniversary celebration was observed last Sunday by the John Cadas and the Arthur Churches at an elaborate turkey dinner at the Cada residence.

Mr. and Mrs. Cada were celebrating their 34th wedding anniversary, and Mr. and Mrs. Church their 14th. Guests were Miss Florence Cada and Robert and Richard Church.

Highlight of the affair was the prfesentation of a bouquet of lillies and roses by Mary Ann Santiago, Billie Stiff, Mary Louise and Herbert Stewart, and Robert and Richard Church.

Later in the evening, Arthur Church showed colored slides.

Presbyterian Church Circle Invites Public To Family Night Party

Circle Four of the Grace Presbyterian Church Women's Council has extended an invitation to the public to attend a "family night" celebration next Thursday evening, June 24, in the church social hall.

The program, scheduled for 7:30 p. m., will be highlighted by sound films. Mrs. Andrew Anker, chairman of the event, will be assisted with arrangements by Mrs. Floyd Harris and Mrs. Maurice Guonod.

Woodrow P. T. A. Officers Attend Exec. Board Meet

Officers of the Woodrow Wilson Parent Teacher Association Monday attended a meeting of the 17th district executive board at the Peninsula avenue school in Burlingame.

Object of the meeting was the instruction of officers on program planning for P. T. A. activities.

Present at the meeting were Mrs. Marie Sorenson, president; Mrs. Helen Chetham, vice-president; Mrs. Nellie Hacker, treasurer, and Mrs. Eleanor Cameron, financial secretary.

San Mateo County Residents Invited To BPWC Fiesta

Lela Swasey, newly installed president of the California Federation of Business and Professional Women's Clubs, Inc. and county recorder for Santa Cruz County, will be principal speaker at the ground breaking ceremonies in Little Village, Los Gatos, at the gigantic Fun Fiesta marking culmination of plans for a new clubhouse and tearoom for the Los Gatos Business and Professional Women's Club. Friends and members from all Bay District counties are cordially invited to attend this all-day celebration and share in the many events of entertainment being prepared.

Strolling minstrels, solo artists of outstanding ability, an hour of classical music, contests of all kinds, kiddie music, a merry-go-round for the youngsters, square dancing and folk dancing events, and picnic tables promise a good time for all who attend. Plenty of food will be on hand — the traditional hot dogs, cold drinks, coffee, cake and a big barbecue and community sing around the campfire will climax the eat festival after the evening ceremonies.

THE PACE THAT KILLS

"If you are driving at a pace that is too fast to permit you to handle any emergency that might arise, you are driving at the pace that kills", warns Robert W. Jackson, Director of Public Relations for National Automobile Club.

Martain S. Enright With Occupation Army In Kobe, Japan

PFC Martain S. Enright, son of Mrs. Joseph Enright of 966 Hanover street, is now serving as an operator for the APO Case, with the 317th Army Postal Unit, in Kobe, Honshu, Japan.

Kobe, Japan's largest port, is in the southern part of the main island of the Japanese group and is now being used by the occupation forces as a supply base for all southern Japan.

USE CORRECT OIL

Any slight reduction in automobile oil consumption that may be gained by use of a heavy oil is false economy, the California State Automobile Association advises. Heavy oil may cause excessive wear since the oil may not flow freely enough to reach bearings and other friction surfaces.

Health Chairmen Hear Address On Sex Education

The importance of family relations education for public school children was outlined last week by Dr. John Upton, leadnig Bay Area gynecologist and faculty member of the University of California Medical School, speaking at a meeting of Unit 11, California State Organization of Public Health Nursing.

The meeting, held at the new El Crystal school in San Bruno, was the last of the 1947-48 school year.

Upton presented to the assembly a picture of misconceptions leading to serious emotional problems as the result of inadequate sex education for young people. There is a decided need in California, he said, for a corrdinated program of sex and family relations teaching in the homes, churches and the schools.

Mrs. Sylvia Eastham, Jefferson Elementary School District nurse, was accompanied to the meeting by Mrs. Ann Ingersoll, health chairman for the Crocker and General Pershing Parent Teacher Association, and Mrs. Frances Nenstiel, of the Pershing P. T. A. Mrs. Eastham is secretary of the county's public health nursing organization.

New Evidence In Death Of Missing D. C. Fisherman

Further evidence as to the fate of Dallas Thomas, 38-year-old Daly City fisherman who disappeared last February aboard the fishing schooner, "Margie Lou," on a fishing trip to Pt. Reyes, was uncovered last week by Alfred Kroepsch, owner of the missing boat.

Kroepsch, who had continued a search for the 30-foot crab fishing boat for weeks after the navy and coast guard gave up, was unsuccessful until last week. While on an abalone fishing trip with a friend, Kroepsch happened upon a sea junk yard in a hidden backwater near Bolinas.

There the San Francisco man found what he recognized as a paint mixer which he had fashioned himself, and kept in a pot under the bunk in the "Margie Lou." Nearby lay a shattered strip of plywood — a part of his boat's forward bulkhead.

After examining the plywood, Kroepsch said he thought it had been shattered by a tremendous explosion. Recalling that several mines had been detonated recently in the Bolinas - Pt. Reyes area, he said, "I'm satisfied that Dallas hit a mine on that trip."

Soc. Security Office Address Change

The Social Security Administration office in San Mateo is at 42 North B street. Due to a change in the numbers on North B street put into effect by the City of San Mateo, the number of that office has been changed from "22" to "42." The location is still the same, only the number having been changed.

Anyone wishing a social security card, general information, or desiring to file a claim for old age and survivors insurance will find the office in the same place, new number.

June 30, 1948 Is Deadline For Vets To Apply For Autos

Seriously disabled World War II veterans who are eligible for automobiles at government expense have only until June 30, 1948, to submit their applications, under the law as it stands at present, unless amended before Congress adjourns, Floyd D. Granger, Veterans Service Officer warned today.

The law provides an automobile, a farm implement or other vehicle useful in the veteran's work at a cost not exceeding $1,600 for any World War II veteran who lost, or lost the use of, one or both legs at or above the ankle resulting from service incurred injuries.

Granger advised eligible veterans to apply for their cars at least 15 days before the deadline in order to allow ample time for processing the applications.

More than 1,450 veteran leg amputees have already received cars under this program in the Branch 12 area, Granger stated, and urged those who are eligible to take advantage of this benefit before the end of June. He cautioned veterans that although legislation has been introduced to extend the deadline no action has been taken as yet.

Veterans interested in this program may obtain information and assistance in filling out the necessary forms at the Veterans Service Office located at the Courthouse in Redwood City.

COLORLESS KILLER

Never start your motor in a closed garage, warns National Automobile Club. Carbon-monoxide gas is a colorless, odorless, merciless killer.

GRANTS PASS

Oregon's Grants Pass, northern terminal of the Redwood Highway at its junction with the Pacific Highway, was named for General U.S. Grant, according to the National Automobile Club.

hin the last few years the ance of the V-8 engine motor get racing has become even apparent, as all other types get styles slowly but surely their dying exit. This domi- however, excludes the Of- wser, which in itself has no ar comparison. The Offy is y a rich man's motor, and is o expensive for any average to build a midget around. race against Offies, and no style of car. (In southern rnia within the last year, a ot V-8 models have more than heir own in racing competi- against the class of the speed-) However, their success does sually follow in consistent ies but in rather few and sistent winnings for the own- who took the heavy odds in g out of their class.

us now break down into a e comparison the difference e V-8 style motor, the Drake, Continental and the Outboard. the Outboard is nothing than an ordinary motor boat e adapted to the framework midget body, and so construct- th the necessary parts to give motor speedway power and ing efficiency. The Drake, or ers as they are often called, wo cylinder motor cycle en- installed into a racing frame. style or type of motor is al- lowed in the BCRA as long as it complies with the motor weights and limitations set up by the association's rule book and constitution. This, of course, excludes the Offy motor.

On a board track the Outboard is hard to beat, but within the last year all Outboards in these parts seemed to be so badly outclassed that they have faded from competition. The same goes for the Continental, itself once the thing to beat on the speedways.

The Drakes are the only other make that today can seriously challenge the V-8 for the supremacy of the midget world. The shorter the track the better goes the Drake, and the longer the track the better for the V-8. Willys and Buick motors have been tried in midget racing but without any apparent success, while the V-8 has conclusively climbed to the top for all racing honors and dominance. The V-8 engine is both economical and by far easier to ready for midget racing than any other type. Any good mechanic can build and field a V-8 midget for racing competition, but this does not mean that his car will be a winner. For those who may be interested, midget racing today is the fourth largest drawing spectator sport in America, and is fast moving into a pressing third spot position.

C. E. Pritchard

Clarence Earl Pritchard, 59, who died of a heart attack last week in San Jose City Hospital, was buried Thursday, June 10, at Cypress Lawn Memorial Park.

Camilla Rizzi

Funeral services were held yesterday morning from the chapel of W. C. Lasswell Mortuary for Mrs. Camilla Rizzi, who died Monday at her home, 49 Partridge Lane.

The deceased, a native of Lucca, Italy, is survived by two daughters, Mrs. Angelina DelGrande and Mrs. Silvia Crespi; two grandchildren, Anita Crespi and Louis DelGrande; two brothers, Joseph and Louis Guaspari; two nieces and three nephews.

Requiem mass was repeated after funeral services at Our Lady of Perpetual Help church, followed by interment in Holy Cross Cemetery. Rosary was recited Wednesday night.

KEEP TIRES CLEAN

Oil or grease on tires will cause rapid deterioration and should therefore be removed immediately with soap and water, according to the California State Automobile Association.

Ida Maria Eckard

Funeral services were held Monday for Ida Maria Pihlajama Hyvari Eckard, 50, who died suddenly last week while visiting a friend at 1620 Geary street. She had resided at 274 Irvington street.

The deceased, a native of Helsinki, Finland, had made her home here for 18 years. She is survived by a son, Arthur V. Hyvari, and a sister, Mrs. Helmi Leivo. She had been engaged as a hairdresser here for several years.

Services were conducted from the chapel of W. C. Lasswell Mortuary.

SPEEDING

Speeding may shorten the motorist's travel time a little, but also shorten his life a lot.

TAKE IT EASY

Until engineering perfects the accident-proof highway and education produces accident-free drivers, the only safe thing to do when driving is "Take It Easy," says the California State Automobile Association.

Resolution No. 1033

GIVING NOTICE OF PROPOSED ANNEXATION OF UNINCORPORATED TERRITORY WESTLAKE ANNEX

RESOLVED, by the City Council of the City of Daly City, San Mateo County, California, that

WHEREAS, a written petition signed by Henry Doelger Builder, Inc., a California corporation, has been presented to this Council, which petition contains a description of certain uninhabited territory in the County of San Mateo contiguous to the City of Daly City, and requests the annexation of said territory to said City pursuant to the provisions of Annexation of Uninhabited Territory Act of 1939 (Deering General Laws, Act. No. 5162, as amended);

WHEREAS, it appears and the Council finds that said Henry Doelger Builder, Inc. is the owner of not less than one-fourth of the area of the land in such territory and representing not less than one-fourth of the assessed value of such territory according to the last preceding equalized assessment roll of the County of San Mateo in which such territory is situated; and

WHEREAS, it appears and this Council finds that said territory and the City of Daly City will each be benefited by the annexation of such territory to said City;

NOW, THEREFORE, IT IS ORDERED, as follows:

1. That Tuesday, the 6th day of July, 1948, at the hour of 8:00 o'clock P. M., California Daylight Saving Time, in the Council Chambers of the City Hall, Daly City, California, is hereby fixed as the time and place when and where any person owning real property within such territory so proposed to be annexed and having objections to the proposed annexation, may appear before the City Council of the City of Daly City and show cause why such territory should not be so annexed.

2. At any time not later than the hour set for hearing objections to the proposed annexation, any owner of property within the territory proposed to be annexed may file written protests against the proposed annexation. Such protests shall state the name or names of the owner or owners affected thereby and the description and area of such property in general terms.

3. A copy of this resolution shall be published once a week for two successive weeks prior to the hearing in the Daly City Record, a newspaper of general circulation published in said City.

4. The territory so proposed to be annexed and the exterior boundaries thereof are more particularly described and set forth in Exhibit "A" hereto attached and by reference incorporated herein, which territory is hereby designated as "Westlake."

* * * * *

I hereby certify the foregoing to be a true copy of resolution adopted by the City Council of the City of Daly City, California, at a regular meeting thereof held on the 14th day of June, 1948, by the following vote of the members thereof:

AYES, and in favor thereof, Councilmen: Bertetta, Green, Mooney, Gaggero.

NOES, Councilmen: None.

ABSENT, Councilmen: Battye.

Reliable Drugs Win From Daly City Baseball Club

The Daly City Baseball Club collected 10 hits while chucker Fred Lucia allowed the visitors only 9; but six errors on the part of the locals presented Reliable Drugs with a 6-3 victory last Sunday. Daly City's hitting was good as usual, Dick Schultz leading with 3 for 5, followed by Flynn, 2 for 4; and Sick, 2 for 5. Sylvestri, Pezzola, and Petrocchi had 1 for 5, 1 for 2, and 1 for 5 respectively.

Highlight of the day was the appearance of "Lefty" Wade Hazel who had been playing for the Brooklyn Dodgers' farm team at Abilene. Daily workouts were too rough on Hazel's sore arm so he returned home to play for fun instead of money. Although "Lefty" pitched only a short time Sunday, he played a good second base before shining as a relief pitcher in the ninth. Catcher Harry Krohn says that Hazel has shown "great improvement" even though his arm sometimes bothers him. Team mates and baseball fans were happy to see "Lefty" looking so good, and are looking forward to seeing him in action next Sunday and many Sundays to follow.

OLPH Monthly Whists To Continue Through The Summer Months

Our Lady of Perpetual Help Parish's monthly whist game will be held tomorrow evening, June 18, in the school auditorium, 60 Wellington avenue.

The games will start at 8:30 p. m. Chairman George Lombard has announced that the games will continue to be held on the third Friday of each month during the summer months.

Members of tomorrow's committee, under the direction of Mrs. E. Nolan, Mrs. Joseph Powers, and Mrs. Anthony Parmisano are all those persons in the parish whose names begin with the letters N, O and P.

FATHER'S DAY

Father's Day can be synthetic or it can be sincere. It can be an occasion when the family merely presents father with a handkerchief and necktie—and the bill for them—or it can be a time for expressing some appreciation for his efforts on behalf of his family.

Gifts are not indispensible on Father's Day. A word of appreciation which comes from the heart needs no outward symbol to make it more convincing. Certainly, however, if the family wishes to present Dad with a useful gift as a token of its affection, it should do so. But the important point is that no gift can act as a substitute for affection.

While it is well that father should receive some of the honor due him at least once a year, this recognition should not be limited to Father's Day. Like any other human being dad appreciates a word of appreciation any day of the year.

The family should keep that in mind and act accordingly.

Daly City Boys Club Betters Bayshore 11 to 9

Bringing home their second victory in two outings, the new Daly City Boys Club miniature nine proved that theyre going to be hard to beat. It was an 11 to 9 victory over the Bayshore pellet punchers last Sunday. Although Daly City shortstop Sinclair was charged with three errors, he made up for them by assisting Thompson with the only double play of the game, slugging a double and a triple in three times at bat, driving in 3 runs, and stealing 4 bases. Hopkins, winning pitcher from Daly City struck out 9 batters and looked great. The Boys Club drew 14 walks from Bayshore but were held toonly 5 hits.

Alert For Polio During Summer

One case of poliomyelitis has been reported this year to the San Mateo County Board of Health, according to a dispatch issued this week with the monthly case chart..

According to the county board, symptoms of polio are most often reported during the summer months, June to September. Warning that residents of the county should be alert for additional cases this summer, the board announced these services available to private physicians:

Consultative diagnostic service in the home; complete hospital care including hot packs and a respirator, and physiotherapy (for patients unable to afford private care) for those developing paralysis.

San Mateo County has seen a decided decrease in poliomyelitis since the 1943 crisis, when a high of 51 cases was reported. In 1944 only nine were uncovered; in 1945, 14; 1946, 14, and in 1947, 11.

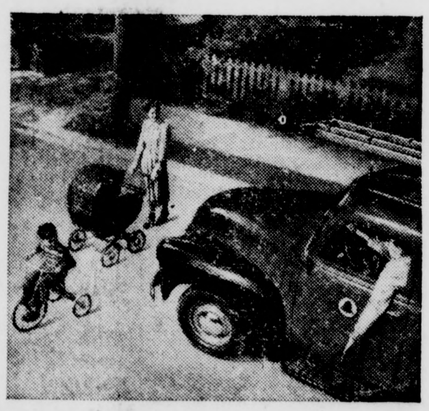
THE SAFEST PLACE TO WORK
How busy telephone people kept accident rate low in communications industry

1. "Learn it the safe way," instructors tell new telephone men. This man is learning to use a screwdriver so the point can't hit any part of his body. Every detail is important in building a safety record that is tops in the National Safety Council's 1947 study.

2. The pike-pole test makes sure the pole is safe to climb—before a man goes up. In 1947 rules like this made ours the safest of all Council industries with 3.33 disabling injuries per million man-hours. That's five times better than average. Pacific Telephone's score of 2.76 was better still.


3. On the road...as on the job... safety for others and for themselves comes first with Pacific Telephone people. All work with their famed safety motto in mind: "No job is so important and no service is so urgent that we cannot take time to perform our work safely."
Telephone jobs must be good jobs to attract the capable people needed to furnish good service. Good pay, steady work and an employee benefit plan give a strong sense of security. Comfortable surroundings, vacations and friendly fellow workers help make work pleasant.

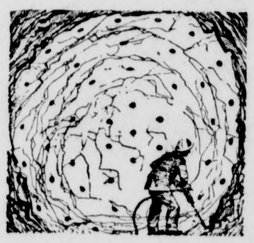
How skilled miners make dynamite behave
...shaping P.G. and E. tunnels

Have you ever wondered how engineers can blast tunnels through granite with almost pin-point accuracy? Here briefly, is how it's being done in two new P. G. and E. tunnels on the Feather River which soon will help turn out 270,000 new electrical horsepower. With a drilling platform, called a Jumbo, miners drill a special pattern of holes, 12 ft. deep, into which charges of dynamite are packed. Drilling usually takes 4 hours, preparing charges another ½ hour... then they're ready to blast.


Here's a diagram of a typical pattern. Experienced engineers can predict almost exactly what will happen. All the dynamite does not explode at once. Actually, there are 10 separate explosions in a fraction of a second.

The first blast removes the core... the others shape the sides, top and bottom. It's exciting work, going full speed ahead as P. G. and E. rushes America's biggest power-building program... to meet California's needs.

For the record
This "mucking" machine removes broken granite at a rate of 60 tons an hour.
Blowers suck blast smoke from the tunnel. Miners usually can be back at work in 30 minutes
These tunnels are part of a huge P.G. and E. construction program which will add nearly 2 million horsepower!
